ADAIR COUNTY, MISSOURI

This cemetery brought to you by
[Twyla Salisbury](#)

The land for this cemetery and land for a church was given by David Hall, great, great grandfather of Alfred Hall and Luetta Currant. The church, however, was never built.

This cemetery may be reached by going west from Kirksville on Highway #11 to #149, north to the Pratt Cemetery. At this point there is a road that goes left, take this road about 2 miles. (It is rocky, but may be very muddy in wet weather.) It is a winding road and hilly. The cemetery is back off the road on the left side and may not be easily seen from the road.

Information was gathered by Mrs. Alfred Hall.
