

OWNBEY CEMETERY

ADAIR COUNTY, MISSOURI

This cemetery brought to you by RitaJane and Bob bsmith@kvmo.net

The Ownbey Cemetery lies West of the Troy Mills Road, (Highway H), about 1/12 Miles S.W. of Kirksville, Missouri. The Old Section lies West of the road about 132 feet. It seems to have been the custom in those early days to have the burial grounds back some distance from the roads. The new section, however, extends from the old part East to the road. Friends of the community say the land for the Cemetery was given by the Ownbey family, hence the name Ownbey Cemetery. Records show the new part was plotted in 1919. However, there were some graves as early as 1911. Stones copied by Mrs. John (Hazel) Ellis and Dorthy Moncrief. Updated in 1999 by RitaJane and Bob Smith.
