

REFUGE CHURCH CEMETERY

ADAIR COUNTY, MISSOURI

Refuge Church Cemetery is located north and east of Kirksville, Mo.

Take Highway 63 north approximately 3 miles from the junction of highways 63 & 6 to the junction of T. Take T east for $\frac{3}{4}$ of a mile. The plat was recorded July 8, 1907 in Plat Book 4, page 9. The cemetery is on the north side of the road with Refuge Church. The Church was built in 1897. It was platted and a board organized in 1898. The cemetery was already there.

There are civil war and WWI graves noted with a "U" or "WWI" in the listing that follows.

The rows are from west to east, going north and south.

The stones were originally copied by Elizabeth Laughlin and Frances Ames.

Laura Williams supplied the history.

Re-typed from the 1979 Adair Cemetery Book by Michele Cragg, June 2003. **Red** indicates changes, notes, additions or from tombstone pictures on web pages.
