

WILLMATHSVILLE UNION CEMETERY

ADAIR COUNTY, MISSOURI

This cemetery brought to you
by [Charlotte Ramsey](#)

Land for a cemetery and churchyard at Willmathsville was donated in 1882 by the heirs of W. B. Reynolds, Sr., who had founded the town in 1856, to the trustees of the Willmathsville Union Church. It is evident from the inscriptions, however, that burials had been made on this land before the formal deed of gift. Land bordering the east side of the original cemetery was donated in 1960 by the late H. M. Hewitt. A perpetual Care fund was established for the cemetery in May 1968 and now has a principal far in excess of the amount first sought.

A church building was erected in 1885. It was renovated at the turn of the century and again in 1959-60, it is still in use.

Memorial Inscriptions in the Cemetery of the Willmathsville Union Church Willmathsville, Adair County, Missouri
Recorded by David Joe and Mary Beth March
December 7, 1979

Rows run south to north beginning with the westernmost row. These rows are often irregular. There are also gaps of varying widths between stones, which when large. The many unmarked graves are not listed. Unhappily, no records of burials in the cemetery have been kept.
